INDEX OF VOLUME 38

A

Aboriginal man and environment in Australia, D. J. Mulvaney and J. Golson (editors); reviewed by Richard A. Gould, 507.

Abel, Leland J., review of the cultural history of Marlborough, Virginia. An archaeological and historical investigation of the port town for Stafford County and the plantation of John Mercer, including data supplied by Frank M. Setzler and Oscar H. Darter, C. Malcolm Watkins, 253.

Adovasio, James M., and Thomas F. Lynch, Preceramic textiles and cordage from Guitarrero Cave, Peru, 84.

Africa current research, 356.

Akulivikshuk: a nineteenth century Eskimo village on the Nushagak River, Alaska, James W. Vanstone; reviewed by Don E. Dumond, 247.

Albee, Alan D., Thomas Roy Hester, and Delbert Gilbow, A functional analysis of "clear fork" artifacts from the Rio Grande Plain, Texas, 90.

Ambler, J. Richard, Alexander J. Lindsay, Jr., Mary Anne Stein, and Philip Hobler, Survey and excavation north and east of Navajo Mountain, Utah, 1959-1962; reviewed by William D. Lipe, 243.

Andean South America current research, 239.

Annual index, 609.

Application of geomorphic data to archaeology: a comment, by David L. Weide and Margaret L. Weide, 428.

Archaeological evidence for occupational specialization among the classic period Maya at Tikal, Guatemala, by Marshall Joseph Becker, 396.

Archaeological explorations on San Nicolas Island, Bruce Bryan; reviewed by Calvin Jennings, 253.

An archaeological indicator of matrilocal versus patrilocal residence, by Melvin Ember, 177.

Archaeological survey annual report 1969, vol. 11, T. F. King, J. P. Carpenter, and N. N. Leonard, III (editors); reviewed by R. G. Matson, 123.

Archaeological survey in the lower Yazoo Basin, Mississippi, 1949-1955, Philip Phillips; reviewed by James B. Griffin, 374.

Archaeological survey of Mossyrock Reservoir, William S. Dancey; reviewed by B. Robert Butler, 508.

Archaeology as anthropology; a case study, William A. Longacre; reviewed by Fred Plog, 117.

Arrow points or knives? Comments on the proposed function of "Stockton Points," by Thomas R. Hester and Robert F. Heizer, 220.

Aspero, Peru: a reexamination of the site and its implications, by M. Edward Moseley and Gordon R. Willey, 452.

The Astor Fort Okanogan, G. F. Grabert; reviewed by B. Robert Butler, 508.

B

Becker, Marshall Joseph, Archaeological evidence for occupational specialization among the classic period Maya at Tikal, Guatemala, 396.

Becker, Marshall Joseph, The evidence for complex change among the ancient Maya, 222.

Benson, Elizabeth P. (editor), Dumbarton Oaks conference on Chavin; reviewed by Craig Morris, 380.

Black Mesa: survey and excavation in Northeastern Arizona, 1968, George J. Gumerman; reviewed by W. James Judge, 251.

The Booth Site: a late archaic campsite, Walter E. Klippel; reviewed by James E. Price, 507.

Broken K pueblo: prehistoric social organization in the American Southwest, James N. Hill; reviewed by Jon Muller, 249.

Bryan, Bruce, Archaeological explorations on San Nicolas Island; reviewed by Calvin Jennings, 253.

Bullard, William Rotch, Jr., 1926-1972, by Gordon R. Willey, 80.

Butler, B. Robert, review of Archaeological survey of Mossyrock Reservoir, William S. Dancey, 508.

Butler, B. Robert, review of The Astor Fort Okanogan, G. F. Grabert, 508.

Butler, B. Robert, review of North-Central Washington prehistory, G. F. Grabert, 508.

C

Calnek, Edward E., The historical validity of the Codex Xolotl, 423.

Calnek, Edward E., The localization of the sixteenth century map called the Maguey Plan, 190.

Caribbean current research, 235.

Carpenter, J. P., T. F. King, and N. N. Leonard, III (editors), Archaeological survey annual report 1969, vol. 11; reviewed by R. G. Matson, 123.

Charlton, Thomas H., Texcoco region archaeology and the Codex Xolotl, 412.

The Chiapanec history and culture, Carlos Navarrete; reviewed by Michael P. Simmons, 254.

Cognitive models for archaeological interpretation, by Alice B. Kehoe and Thomas F. Kehoe, 150.

Comment on Pickersgill's "Cultivated plants as evidence for cultural contacts," by Stephen C. Jett, 223.

The cultural history of Marlborough, Virginia. An archeological and historical investigation of the port town for Stafford County and the plantation of John Mercer, including data supplied by Frank M. Setzler and Oscar H. Darter, C. Malcolm Watkins; reviewed by Leland J. Abel, 253.

Culture sequence at the Old Fort, Saline County, Missouri, by W. Raymond Wood, 101.

Current affairs, 226.
Current research, 229, 354, 494.

D

Dacey, Michael F., Statistical tests of spatial association in the locations of tool types, 320.
Dalley, Gardiner F., review of Papers on California and Great Basin prehistory, Eric W. Ritter, Peter D. Schulz, and Robert Kautz (editors), 371.
Dancey, William S., Archaeological survey of Mossyrock Reservoir; reviewed by B. Robert Butler, 508.
The distribution and development of Fremont maize agriculture: some preliminary interpretations, by Joseph Winter, 439.
Dumbarton Oaks conference on Chavin, Elizabeth P. Benson (editor); reviewed by Craig Morris, 380.
Dorothy Cross Jensen, 1906-1972, by Robert W. Ehrich, 407.
Dumond, Don E., review of Akulivikshuk: a nineteenth century Eskimo village on the Nushagak River, Alaska, James W. Vanstone, 247.
Dumond, Don. E., review of Kijik: an historic Tanaina Indian settlement, James W. Vanstone and Joan B. Townsend, 247.

E

East Asia current research, 361.
Economic aspects of commercial archaeology in Costa Rica, by Dwight B. Heath, 259.
Edge abrasion during biface manufacture, by Payson D. Sheets, 215.
Egloff, B. J., A method for counting ceramic rim sherds, 351.
Ehrich, Robert W., Dorothy Cross Jensen, 1906-1972, 407.
Eidt, Robert C., A rapid chemical field test for archaeological site surveying, 206.
Ember, Melvin, An archaeological indicator of matrilocal versus patrilocal residence, 177.
An empirical test for Steward's model of Great Basin settlement patterns, by David Hurst Thomas, 155.
Euler, Robert C., review of Mug House: Mesa Verde National Park-Colorado, Arthur H. Rohn, 370.
Europe current research, 354.
Evans, Clifford, and Betty J. Meggars, United States "imperialism" and Latin American archeology, 257.
Evans, David Trice, A preliminary evaluation of tooth tartar among the preconquest Maya of the Tayasal area, El Peten, Guatemala, 489.
The evidence for complex exchange systems among the ancient Maya, by Marshall Joseph Becker, 222.
Experimental archaeology: a new outlook, by Stephen C. Saraydar and Izumi Shimada, 344.
Explanation in archaeology: an explicitly scientific approach, Patty Jo Watson, Steven A. Leblanc, and Charles L. Redman; reviewed by Robert L. Schuyler, 372.

F

Far north current research, 494.
Fitting, James E., review of The Riverton culture: a second millennium occupation in the Central Wabash Valley, Howard Dalton Winters, 368.
Freeman, L. G., The significance of mammalian faunas from Paleolithic occupations in Cantabrian Spain, 3.
Friedman, Edward, Preparation of faunal specimens, 113.
A functional analysis of "clear fork" artifacts from the Rio Grande Plain, Texas, by Thomas Roy Hester, Delbert Gilbow, and Alan D. Albee, 90.

G

Gannon, Brian L., and Frank H. Smith, Sectioning of charcoals and dry ancient woods, 468.
Gilbow, Delbert, Thomas Roy Hester, and Alan D. Albee, A functional analysis of "clear fork" artifacts from the Rio Grande Plain, Texas, 90.
Golson, J., and D. J. Mulvaney (editors), Aboriginal man and environment; reviewed by Richard A. Gould, 507.
Gorman, Frederick, review of The Itasca Basin kill site: an ecological analysis, C. Thomas Shay, 244.
Gould, Richard A., review of Aboriginal man and environment in Australia, D. J. Mulvaney and J. Golson (editors), 507.
Grabert, G. F., The Astor Fort Okanogan; reviewed by B. Robert Butler, 508.
Grabert, G. F., North-Central Washington prehistory; reviewed by B. Robert Butler, 508.
Gradwohl, David Mayer, Prehistoric villages in Eastern Nebraska; reviewed by W. Raymond Wood, 246.
Grayson, Donald K., On the methodology of faunal analysis. 432.
Great Basin and California current research, 501.
Greater Southwest current research, 229.
Green, Ernestene L., Location analysis of prehistoric Maya sites in northern British Honduras, 279.
Griffin, James B., review of Archaeological survey in the lower Yazoo Basin, Mississippi, 1949-1955, Philip Phillips, 374.
Gumerman, George, J., Black Mesa: survey and excavation in Northeastern Arizona, 1968; reviewed by W. James Judge, 251.
Gumerman, George J., review of Painted ceramics of the western mound at Awatovi, Watson Smith, 248.

H

Heath, Dwight B., Economic aspects of commercial archaeology in Costa Rica, 259.
Heizer, Robert F., and Thomas R. Hester, Arrow points or knives? Comments on the proposed function of "Stockton Points," 220.
Hester, Thomas R., and Robert F. Heizer, Arrow points or knives? Comments on the proposed function of "Stockton Points," 220.
Hester, Thomas Roy, Delbert Gilbow, and Alan D.

Albee, A functional analysis of "clear fork" artifacts from the Rio Grande Plain, Texas, 90.
Hill, James N., Broken K pueblo: prehistoric social organization in the American Southwest; reviewed by Jon Muller, 249.
The historical validity of the Codex Xolotl, by Edward E. Calnek, 423,
Hobler, Philip, Alexander J. Lindsay, Jr., Mary Anne Stein, and J. Richard Ambler, Survey and excavation north and east of Navajo Mountain, Utah, 1959-1962; reviewed by William D. Lipe, 243.

I

Iron utilization by Thule Eskimos of Central Canada, by A. P. McCartney and D. J. Mack, 328.
The Itasca Basin kill site: an ecological analysis, C. Thomas Shay; reviewed by Frederick Gorman, 244.

J

Jennings, Calvin, review of Archaeological explorations on San Nicolas Island, Bruce Bryan, 253.
Jett, Stephen C., Comment on Pickersgill's "Cultivated plants as evidence for cultural contacts," 223.
John Ladd, 1923-1971, by Gordon R. Willey, 315.
Johnson, Elden, Professional responsibilities and the American Indian, 129.
Judge, W. James, review of Black Mesa: survey and excavation in Northeastern Arizona, 1968, George J. Gumerman, 251.
Justeson, John S., Limitations of archaeological inference: an information-theoretic approach with applications in methodology, 131.

K

Kautz, Robert, Peter C. Schulz, and Eric W. Ritter (editors), Papers on California and Great Basin prehistory; reviewed by Gardiner F. Dalley, 371.
Kehoe, Alice B., and Thomas F. Kehoe, Cognitive models for archaeological interpretation, 150.
Kehoe, Thomas F., and Alice B. Kehoe, Cognitive models for archaeological interpretations, 150.
Kijik: an historic Tanaina Indian settlement, James W. Vanstone and Joan B. Townsend; reviewed by Don E. Dumond, 247.
King, T. F., J. P. Carpenter, and N. N. Leonard, III (editors), Archaeological survey annual report 1969, vol. 11; reviewed by R. G. Matson, 123.
King, Thomas F., Reply to Kautz, 351.
Klippel, Walter E., The Booth Site: a late archaic campsite; reviewed by James E. Price, 507.
Krotser, G. R., and Paula H. Krotser, The life style of El Tajin, 199.
Krotser, Paula H., and G. R. Krotser, The life style of El Tajin, 199.

L

Leblanc, Steven A., Patty Jo Watson, and Charles L. Redman, Explanation in archaeology: an explicitly scientific approach, 372.
Lechtman, Heather, A Tumbaga object from the High Andes of Venezuela, 473.
Leonard, N. N., III, T. F. King, and J. P. Carpenter (editors), Archaeological survey annual report 1969, vol. 11; reviewed by R. G. Matson, 123.
Levin, Michael E., On explanation in archaeology: a rebuttal to Fritz and Plog, 387.
The life style of El Tajin, by Paula H. Krotser and G. R. Krotser, 199.
Limitations of archaeological inference: an information-theoretic approach with applications in methodology, by John S. Justeson, 131.
Lindsay, Alexander J., Jr., J. Richard Ambler, Mary Anne Stein, and Philip Hobler, Survey and excavation north and east of Navajo Mountain, Utah, 1959-1962; reviewed by William D. Lipe, 243.
Lipe, William D., review of Survey and excavation north and east of Navajo Mountain, Utah, 1959-1962, Alexander J. Lindsay, Jr., J. Richard Ambler, Mary Anne Stein, and Philip Hobler, 243.
The localization of the sixteenth century map called the Maguey Plan, by Edward E. Calnek, 190.
Location analysis of prehistoric Maya sites in northern British Honduras, by Ernestene L. Green, 279.
Longacre, William A., Archaeology as anthropology: a case study; reviewed by Fred Plog, 117.
Lower Central America current research, 234.
Lowland South America current research, 237.
Lynch, Thomas F., and James M. Adovasio, Preceramic textiles and cordage from Guitarrero Cave, Peru, 84.

M

McCartney, A. P., and D. J. Mack, Iron utilization by Thule Eskimos of Central Canada, 328.
McKee, Edwin H., and David H. Thomas, X-ray diffraction analysis of pictograph pigments from Toquima Cave, Central Nevada, 112.
McNutt, Charles H., On the methodological validity of frequency seriation, 45.
Mack, D. J., and A. P. McCartney, Iron utilization by Thule Eskimos of Central Canada, 328.
Matson, R. G., review of Archaeological survey annual report 1969, vol. 11, T. F. King, J. P. Carpenter, and N. N. Leonard, III (editors), 123.
Meggars, Betty J., and Clifford Evans, United States "imperialism" and Latin American archaeology, 257.
Membership of the Society for American Archaeology, 537.
Mesoamerica current research, 232.
A method for counting ceramic rim sherds, by B. J. Egloff, 351.
Milisaukas, Sarunas, The need for a common language of measurements, 1.
Millon, Clara, Painting, writing, and polity in Teotihuacan, Mexico, 294.
Morris, Craig, review of Dumbarton Oaks conference on Chavin, Elizabeth P. Benson (editor), 380.
Moseley, M. Edward, and Gordon R. Willey, Aspero, Peru: a reexamination of the site and its implications, 452.
Mug House: Mesa Verde National Park-Colorado,

Arthur H. Rohn; reviewed by Robert C. Euler, 370.
Muller, Jon, review of Broken K pueblo: prehistoric social organization in the American Southwest, James N. Hill, 249.
Multistage fieldwork and analytical techniques, by Charles L. Redman, 61.
Mulvaney, D. J., and J. Golson (editors), Aboriginal man and environment in Australia; reviewed by Richard A. Gould, 507.

N

Navarrete, Carlos, The Chiapanec history and culture; reviewed by Michael P. Simmons, 254.
The need for a common language of measurements, by Sarunas Milisaukas, 1.
Nelson, Charles M., The Sunset Creek site (45-KT-28): and its place in plateau prehistory; reviewed by Roderick Sprague, 369.
North-Central Washington prehistory, G. F. Grabert; reviewed by B. Robert Butler, 508.
Northwest current research, 495.
Northwestern current research, 236.

O

On explanation in archaeology: a rebuttal to Fritz and Plog, by Michael E. Levin, 387.
On the methodological validity of frequency seriation, by Charles H. McNutt, 45.
On the methodology of faunal analysis, by Donald K. Grayson, 432.

P

Painted ceramics of the western mound at Awatovi, Watson Smith; reviewed by George J. Gumerman, 248.
Painting, writing, and polity in Teotihuacan, Mexico, by Clara Millon, 294.
Papers on California and Great Basin prehistory, Eric W. Ritter, Peter D. Schulz, and Robert Kautz (editors); reviewed by Gardiner F. Dalley, 371.
Pearlstone, Zena, Sujang: a stirrup spout vessel from Nigeria, 482.
Phillips, Philip, Archaeological survey in the lower Yazoo Basin, Mississippi, 1949-1955; reviewed by James B. Griffin, 374.
Plains current research, 498.
Plog, Fred, review of Archaeology as anthropology: a case study, William A. Longacre, 117.
Preceramic textiles and cordage from Guitarrero Cave, Peru, by James M. Adovasio and Thomas F. Lynch, 84.
Price, James E., review of The Booth Site: a late archaic campsite, Walter E. Klippel, 507.
The pillage of prehistory, by Payson D. Sheets, 317.
Possible social factors in the exchange system of the prehistoric Maya, by Barbara Voorhies, 486.
Prehistoric occupations of the western Venezuelan Llanos, by Alberta Zucchi, 182.
Prehistoric villages in Eastern Nebraska, David Mayer Gradwohl; reviewed by W. Raymond Wood. 246.
A preliminary evaluation of tooth tartar among the preconquest Maya of the Tayasal area, El Peten, Guatemala, by David Trice Evans, 489.
Preparation of faunal specimens, by Edward Friedman, 113.
Professional responsibilities and the American Indian, by Elden Johnson, 129.
